

Caleb 17 Years Old, a Picture Album (恺乐 17 岁相册)

Yannan (燕南) 2024.2.8

Caleb is 17 today. Seventeen years ago, his 4-year-old brother Kevin accompanied their mom to the hospital (first picture below). Thus followed a long line of loving pictures of him, his parents, his brother and his cousins, his grandparents and his uncle and auntie--a loving and caring family for him, and him for us all, as always. Happy birthday, dear Caleb! You are so blessed, as are we indeed!
